### **EXAMINER'S AMENDMENT AND INTERVIEW SUMMARY**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Edward C. Kwok, of record on 10/31/2007.

Each of independent Claims 1 and 11 have been amended as follows:

Claim 1, line 3, "including" appearing twice, has been deleted, and replaced with  
—consisting of--.

Claim 11, line 3 "including" appearing twice, has been deleted, and replaced with  
—consisting of--; line 4, after "dots", "including" has been deleted, and replaced with  
—consisting of--.

It was agreed that in order to patentably define the invention herein over the prior art, Saitou, Claims 1 and 11 have been amended to limit the "dots" recited therein to have only three primary colors (instead of four as shown by the prior art), by using the exclusive term "consisting of" instead of the non-exclusive term, "including".

#### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:
3. The patent, Song (US 6,989,876) has been removed as a reference with Applicant's statement that at the time the invention of the present application was made,

Art Unit: 2871

the invention of the application and of the patent were commonly owned by Samsung Electronics Co. Ltd.

4. The patent, Saitou (JP 402245733) has been overcome with the Examiner's amendment to the claims restricting the recited "dots" to have only three primary colors instead of the four shown and disclosed by this reference. Thus, these claims are allowable over this and all other known prior art as presently advised.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
